CERENA Skincare, a division of Stanmark Healthcare Pvt. Ltd is engaged in the promotion of products in the dermatology and cosmetology speciality.

Keeping in line with the mission of the parent company, Stanmark, which was founded in 1993 in Ahmedabad, India by technocrats having years of experience in the field of pharmaceuticals, CERENA also aims at providing quality and affordable healthcare to all. The products include delivery forms like ointments, soaps, gels, tablets, capsules & shampoos.

At Cerena Skincare, dermatological formulations are developed and marketed keeping pace with the need of the consumers. Cerena's range of products covers treatment of Skin disorders and Cosmetological support. Cerena's products helps the medical fraternity in management and care of diseases like various bacterial and fungal infections of skin, eczema, dry skin, psoriasis, acne, vitiligo, scabies, pediculosis and other dermatoses.

Cerena's core team focuses on enhancing the Dermatology and Cosmetology management effort through introducing newer and broad spectrum therapies.

805, Shitiratna, Panchwati Cross Road,
Ahmedabad - 380006 (Gujarat) India.
